
EXECUTIVE SUMMARY REPORT

DeForest High School STEM Addition and Remodeling

August 19th, 2016

What's New?

Project Completion!

With the start of school just around the corner the project is substantially complete! On Monday the furniture move with start. Over the next week, workers will be onsite finishing the last couple items and readying the space for students.

The Past Week

- Flooring
- Site Work – Paving and Landscaping
- Shop Equipment Move
- Final Cleaning

Coming Up in the Weeks Ahead

- Owner Move in
- Students!

The new collaboration area just needs furniture and students!

Above: A new active classroom for science including cord drops and pendulum mounts for experiments.

The completed exterior of the building looking sharp at dusk!

Did you know? The new collaboration space features a reclaimed barn wood wall surrounding a wall painted with dry erase paint. Not only can you write on this wall, but it doubles as a projection screen.
