

Please Share Your Input on Housing in DeForest & Windsor!

The Village of DeForest and Village of Windsor have been working with the University of Wisconsin Extension to put together a short survey that is designed to collect public input about housing in our community.

The results of this survey will help leaders in both communities understand how to meet our local housing needs. Households, like yours, are an important part of the DeForest and Windsor community, and your opinion matters.

The survey only takes about 10 (ten) minutes. The survey is completely anonymous and is distributed through the University of Wisconsin's Division of Extension.

Would you please consider helping out by taking the survey?

This activity is organized and solely sponsored by a recognized parent or community organization in support of the DeForest Area School District and not by the school district itself. It is recognized that the intent of the activity is to ultimately support students and families served by the DeForest Area School District. Permission to distribute this material has been given by the district.

VILLAGE OF DEFOREST

COMPREHENSIVE OUTDOOR RECREATION PLAN

PUBLIC SURVEY & WORKSHOP

You're invited to help shape the future of parks and recreation in DeForest

PUBLIC ONLINE SURVEY: APRIL 1ST - 22ND

Public Workshop: April 17, 5:30 to 7:00 PM

Village Hall Commons Room | 120 S Stevenson St, DeForest

You're invited to take part in providing key upfront input in the development of the Village's 5-year Comprehensive Outdoor Recreation Plan. The workshop and survey are free and open to the public.

WHAT IS A COMPREHENSIVE OUTDOOR RECREATION PLAN?

The Village is currently working on its 5-year update of the Comprehensive Outdoor Recreation Plan. The purpose of the Plan is to identify and prioritize the Village's existing facilities, assets, and areas of needed improvement, in addition to future park and recreation needs. The document also contains topic-specific goals, objectives, policies, and recommendations, as well as a community-wide vision and action plan to help prioritize future implementation projects. By completing this plan every 5 years, DeForest retains eligibility through the Wisconsin Department of Natural Resources to apply for matching state and federal grants.

Whether you live, work, play, or own property in the Village of DeForest, now is your chance to participate in shaping the future of the community.
