Edustaff is excited to partner with DeForest Area School District to provide substitute staffing for the district's schools. This transition will help the DeForest Area School District develop a larger pool of substitutes to better serve the needs of their students and schools.

This partnership will assist the district in many ways, by:

- Increasing the pool of available substitutes
- Reducing classroom vacancies and improving fill rates
- Providing effective training for substitutes entering the classroom
- Enhancing substitute recruiting through effective marketing and advertising
- Providing administrative relief for school and district staff

On average, our substitute service is cost neutral for our partnering school districts.

Edustaff will provide substitute teachers, education assistants, recess aides, nurses, and secretaries to DeForest schools. We are looking for passionate subs who enjoy working with youth and want to give back to their community. Anyone interested in becoming a substitute in DeForest Area School District can apply online at Edustaff.org.

Pay rates for the substitute positions are:

Substitute Teacher: \$160/day

Substitute Teacher – Retiree: \$220/day

Building Substitute Teacher: \$220/day

Substitute Education Assistant: \$17.73/hour

Substitute Secretary: \$17.73/hour

Substitute Recess Aide: \$15.44/hour

We are looking forward to a positive partnership with DeForest Area School District and a great school year.
