

The Miracle League of Dane County

# 2024 Season Call for Volunteers

**It takes a village and just two hours of your time each week to powerfully change the life of a child.**

## Volunteer Registration is NOW OPEN

The Miracle League of Dane County provides children who have cognitive and physical disabilities and other special needs the opportunity to play baseball.

**Think about what this unmatched experience means to children who are normally excluded.**

### Program purpose and mission:

**Encourage** children to feel included

**Support** children being accepted for what they can do

**Provide** a sense of normalcy

**Demonstrate** that boundaries need not limit potential

## 2024 season: Tuesday, June 4 – Thursday, August 1

Games are played on Tuesdays, Wednesdays, and Thursdays  
5:30 p.m., 6:30 p.m., and 7:30 p.m.

Each player plays one game per week on the same night of the week.

The custom-built Miracle League field is located at Bakken Park, 4064 Vilas Road, in Cottage Grove.

Last season, 250 children played baseball because of people like you. You will be inspired by the joy and determination of your matched player.

**Please consider being one of the 300 volunteers needed to meet increasing demand for this program.**

### Volunteers say:

"I describe my volunteer experience at the games as smiling until my face hurts."

I come away from a game feeling so inspired and joyful after helping and watching these kids play ball."
