

Take Your Child To WorkSM Day
Permission Form

Dear Parent/Guardian:

This year Wisconsin's Take Our Daughters and Sons (Children) to Work Day is: _____.
While this event is not sponsored by the school district, it ultimately affects attendance and instruction for that day.

The program is sponsored by the Ms. Foundation encouraging girls and boys to fulfill their wide-ranging career aspirations and support their visions of a society where women and men participate fully in family, work and community, and are appreciated for doing so.

Each year hundreds of students in DeForest participate. This greatly affects classroom instruction in our schools. If students are planning to participate this year, parents should do the following:

1. Complete and return this permission slip.
2. Plan the day to create a meaningful learning experience.
3. If you would rather not utilize a school day, schedule a day during the summer when your child can visit the workplace...or contact your child's counselor or teacher to set up a job shadow day in a career of interest to him/her.

Thank you for your assistance.

Sincerely,
DeForest Area School District Staff
