Special Olympics Gymnastics Informational Meeting

We will be having our initial meeting on Monday, November 20th at 6:00 p.m. at Bristol School, in 603-we will meet by door number 2 and walk together.

Our practices will take place Monday early evenings. This year Jessica will not be able to practice or coach with us, so I may need more help from parents. Also please come to the first practice with measurements for new leotards.

Bust, waist, hips, arm length (shoulder to wrist), girth (all the way around one shoulder & between the legs), and skirt length (from natural waist to mid-thigh).

Questions? Contact coach Connie -
