

Implementing Technology Integration Projects

**2 graduate credits
Viterbo University**

Thinking of a new project that includes technology? This course is a good way to get credit and support for completing that new project. Through a combination of **online** and **face-to-face** meetings, you'll get a chance to learn technology skills and applications and create new learning opportunities for students.

There are two required face-to-face meetings:

Monday, February 12th from 4:00 to 6:30

Wednesday, May 16th from 4:00 to 6:00

Meeting locations to be determined.

The course begins on **February 12th**
and ends on **May 18th.**

Cost: \$160 for 2 graduate credits
