

What's Included?

Campers will learn about the various aspects of theatre, both onstage and the tech behind-the-scenes! Students will participate in workshops dedicated to: lighting, sound, scenic design, acting, and more! Each group performs a play at the end of Summer Drama Camp, followed by an exciting cast and crew party!

Our Staff!

Our staff consists of DAHS Drama Club members with considerable amounts of experience in theatre. These volunteers, whether they are Counselors, Helpers, or Stage Crew, will be assisting throughout the camp to ensure that our campers' experience is as enjoyable as possible.
