### **2023-24 Annual Family Survey**

We care deeply about the quality of education our students receive. As we continue planning for the long-term, our strategies must reflect the goals and priorities of our parents. In order to accomplish this goal, we need your feedback through this survey. The survey will be emailed to K-12 families on Tuesday, February 20th. You will have from February 20th through March 20th. Survey Link: [Annual Parent/Guardian Survey](#)

### **Read Across America Week**

Launched in 1998 by the National Education Association and guided by a committee of educators, NEA's Read Across America is the nation's largest celebration of reading. Eagle Point students will be dressing up and having reading activities during the week of March 4th - 8th. See the attached flier for details: [Read Across America Week](#).

## Eagle Point Relaxation Station

### New Website! Eagle Point's Relaxation Station

We all know just how important it is for us to learn about the importance of managing our feelings. As adults, this can be tough for us, but as kids, most of our students haven't created that toolbox of skills and communication to identify what they are feeling, or why. Most of the time students haven't yet figured out what kind of tools will even help them when they are sad or feeling dysregulated. Enter the Relaxation Station, Eagle Point's Virtual Calming Room. Students can click on the individual pages and find several different learning activities to help them learn what kinds of things can help them! Click on the button below to see what it's all about!
