The building principal shall schedule and log, at least monthly, a fire drill in accordance with State law. At least one fire drill will be conducted in the presence of the fire inspector. Staff shall review with students the emergency exits and escape routes to be used in case of fire, the basic fundamentals of fire safety, and the importance of self-control during emergencies.

The Director of Administrative Services shall annually file a report of all District fire drills with the Department of Commerce (DOC) and the chiefs of the local fire departments.
