In order to meet its goal of providing the appropriate educational opportunities for all students in the DeForest Area School District, the district shall participate in the federal Title I program.

The district’s Title I program shall be designed and implemented in consultation with parents and teachers of students being served.

Further, the district may offer various activities to foster effective parent involvement. These activities may include various forms of training and opportunities for parents to work with the school and teachers and with their children and home learning activities.
