## OUR PROGRESS

### Construction begins this spring!

You will notice that this message is now called "DASD Construction Update." The design phase has been completed and construction will begin this spring! Construction fences are scheduled to go up next week. When students and staff return to school after spring break on April 4, they will see digging and earth moving begin.

Here's a few more updates on what's happening now:

- Final permits, resolutions, and other documents are being finalized with the Village of Windsor and Village of DeForest.
- DASD distributed requests for proposals in February, and contractors are now submitting bids. All will be reviewed by a team of DASD and Findorff staff by the end of March.
- At their March 14 meeting, the Board of Education approved a resolution

awarding the sale of \$10,000,000 in General Obligation School Building and Improvement Bonds. These funds will be used during the next two years exclusively for the construction projects approved by residents in the April 2015 referendum.

- DASD is working on communicating the construction schedule with homeowners surrounding our buildings.

## Groundbreaking celebrations in April

The public is invited to celebrate the official start of our construction and remodeling projects.

**Monday, April 4** | 5:30 pm  
Windsor Elementary School

**Monday, April 18** | 5:30 pm
