### BADGER CONFERENCE SPORTSMANSHIP POLICY

Good sportsmanship at Badger conference athletic events includes respect for the opponent and their fans, the guest officials, and the host school/community. Respectful behaviors include, but are not limited to, cheering exemplary performance for either team, demonstrating patience and maturity with official rulings and refraining from behaviors that are abusive, dangerous, interfere with the event and/or is not in the best interest of an individual or individuals attending and/or participating in the event. Fan behavior that is considered abusive, dangerous, interferes with the event and/or is not in the best interest of an individual or individuals attending and/or participating in the event will subject the offending party or parties to removal from that event and/or future events.
