Building Positive Connections **Information for Next Year's Teachers**

Dear Parent/Guardian:

The purpose of this form is to provide parents/guardians the opportunity to provide information that will be given to your child's teacher(s) for next school year. This is useful information that can help teachers build positive connections with students right away! Although we do not accept requests for specific teachers and/or teams of teachers, the information you provide on this form will be shared with next year's teachers prior to the start of school. Please submit this completed form to the school office by August 15th.

Thank you for your interest in your child's instructional program for the coming year. In the Spring of each year, we gather information on every student from their current teacher(s) and involved support staff. We carefully review that information to provide appropriate placements and balanced classes. Our goal is to provide the best opportunity for each student's academic, social, and emotional growth.
