

The following is a signed agreement between Kobussen Buses, Ltd. and the Parent/Guardian of

_____, for bus transportation in the DeForest School District, 2022-2023 school year.

1. Parents/guardians of a student open enrolled (OE), boundary excepted (BE) or otherwise ineligible for transportation to and from school by the District in their home school attendance area may request consideration for transportation for a fee established transportation provider. The total cost of transportation for the school year will be \$118 per student (max \$236/household) for transportation one time per day or \$210 per student (max \$420/household) for transportation twice per day.
2. Total charges are due and payable by August 19, 2022. Payment may be made by check or credit card. Non-payment will result in cancelation of transportation services for student(s). Charges are non-refundable except when service is or becomes unavailable under item 4 below.
3. The assigned bus route/stop will NOT be modified to accommodate the student (the parent/guardian accepts full responsibility for getting their child to/from an existing stop on the assigned bus route).
4. The assigned bus route must have capacity to accommodate the student (as determined solely by the Kobussen Terminal Manager). In the event that capacity of the assigned bus route is exceeded due to new student assignments from the home school attendance area, OE, BE & other contracted students riding the bus route will no longer be eligible (the most recently approved students will be the first students to lose their eligibility).
5. Parents and children should be ready and waiting at assigned bus stop 5 minutes prior to scheduled pick up time.
6. Your child is expected to follow the Bus Rules of Conduct for DeForest Area School District. Failure to exhibit good conduct on the bus is grounds for cancelation of transportation services.
7. It is our goal to provide your child with safe and reliable transportation. We will make every effort to stay on schedule, weather permitting.
