- 1. Treasurer report:** \$5,000-\$5,600, recently paid for teachers water cooler, family Christmas gifts (\$549, \$210 to deposit), and the bus (\$100-\$200) and admissions (\$616, chaperone admissions to deposit) for the field trip
- 2. Milk Moola:** Start collecting milk caps and such from Kwik Trip. Information will be sent home regarding which items have Milk Moola on them. We earn 5 cents for each item collected, can turn in once you collect 1,000 items.
- 3. Request for flexible seating:** Mrs Hunter's class does not have any flexible seating. Could the PTO provide money for some? PTO has provided a lot of money for a lot of things lately, we are not against it, but does the district have it in their budget? Jill was going to ask Bill, Heidi and Nicki were going to ask in their Key Communicators meeting. *Follow up: Bill said they do have some money left in the budget from something else they may be able to use towards seating.
- 4. Movie Night:** Movie Night will be on Friday, March 2nd, from 6-8. PTO will provide pizza, popcorn, and water. Kids will vote on the movie.
- 5. Fun Run:** Fun Run will be held Friday, May 18th. Will hold a kick off meeting to organize volunteers on January 30th, 6:00, in the MES gym. Think about the following committees: Food, sponsorships, after party events, shirts and goodie bags, route and route stops, maybe incorporate prize donations into door prizes?
