Why Girl Scouts
may be the right choice
for your girl...
and your family.

Here is where she will learn new things while earning badges, have big adventures, and make new friends. And you can, too. Adults are welcome to discover alongside their girl and be as involved as you want in Girl Scouts. You'll make friends and learn a lot of new things just like the girls!

Girl Scouts is
for every girl.

Cost is never a
barrier here.

Girl Scout
membership is \$35.

Financial aid is
available to families
and it is easy to apply.

New adult volunteers
will become members
at no cost including
membership dues and
the required safety
background check.

How does it work?

Groups of Girl Scouts, called troops, typically meet weekly or bi-weekly for an hour or two. Together with adult volunteers—often parents or caregivers—girls select exciting hands-on activities and projects, try new things, and cheer each other on. Together, they earn badges to reflect their successes and show the world what they're made of.

What's the goal?

Making sure girls see and have the opportunity to reach their potential isn't just about helping them earn better grades, make better decisions, and have happier lives (although it helps with those things, too!). It's about creating a more fair, equal, and compassionate world where every girl has a seat at the table and can make her dreams come true.
